

Village of Hope Update

A lot of exciting projects are currently underway on the Village of Hope Campus! These projects include the addition to the orphan girl's home and the building of the home for the orphan boys. With the welcoming of the 12 new orphans to the Village of Hope this past year, the number of girls increased to 18. This meant that more space would be needed to accommodate everyone within the girl's home. This additional space will be a blessing to the kids and Mamas who live there!

Progress is also being made on the boy's home! Our Haitian friends are working hard and have begun to construct the walls of the home. We can't wait to see how this house will be transformed into a beautiful home for these deserving kids!

Child Sponsorship Change a Life

Throughout this past month, we have been spotlighting boys and girls in our child sponsorship program. To a child, sponsorship means not only access to an excellent education, but that someone is praying for them and encouraging them from afar. You can absolutely change the trajectory of a child's life with just a small amount. Thank you to our community of child sponsors and welcome to those who have just joined us on this journey! To sponsor a child today, visit www.newlifeforhaiti.org/sponsor-a-child

Next Gen Board Members

New Life for Haiti welcomed 11 new members to its Next Gen Board this month. They have joined our 7 returning Board Members to bring our group to 18! We are grateful for their commitment to our mission and look forward to the incredible work they will accomplish together on behalf of the Haitian people!

Board members: Todd Pierson, Janelle Gray, Jerry Frump, Grant Rose, Erin Smith, John Frankel, Teri Rose, Bob Novak, Pennie Helenhouse, Bill Inman, Fran Leeman, Lauren Kuhn, David Larson, Kristen Derengowski, Linda Leeman, Nigel Symons, Mike Hoffman (Not pictured: Scotty Derengowski)

Volunteer Noelle Chaney

Noelle Chaney, a 17-year-old New Life for Haiti Volunteer, worked this past spring/summer to help the kids & Mama's on our Village of Hope Orphanage campus. Not only did she put together binders of all the materials that were used in our Village of Hope Mama training program, she also designed and ran a backpack and school supply fundraiser at her high school. She was able to collect enough backpacks and supplies for all our orphans at the Village of Hope! The backpacks and school supplies have finally made it to Haiti, and the Village of Hope kids couldn't be happier with them! We are blessed to have volunteers like Noelle!
